USSR 5/5/78 (Debbie T, Sharon)

*from Sharon*

Director Research and

-asked him about an endocrinologist/ he said that he would have  
 to inquire/ said he wants the name and age of the leader  
 -said there might be a problem if the person isn't a citizen/ we said  
 that it would certainly go thru official channels as well but  
 we would just like to know if it would be possible first as he asked  
 if it could go thru official channels)

-regarding them talking to this Mirror reporter and making sure it would  
 be a positive article, he said that with the Referendum and strikes  
 (Commercial and Clerk Workers Strike) that it was a sensitive issue  
 and they can't really do that
