Dear Sir,

We are very grateful for your critical comment on our item about the Reverend Jim Jones, which it doubtlessly deserves. We are sending you a copy of our issue No. 8 for 1978 in which your letter—slightly abridged—is printed. (See From Our Mailbag column.)

We wish you success in your noble activity to promote mutual understanding, friendship and co-operation between the Soviet and American peoples.

Sincerely yours,

V. Chernyavsky
