Deputy Assistant Secretary for
Overseas Consular Services
Department of State
Washington, DC 20520

Dear Mr. [REDACTED]

The Bureau of Alcohol, Tobacco and Firearms is conducting a criminal investigation concerning the firearms found in Guyana as a result of the mass suicides. We are attempting to determine the source of these firearms, as to the seller and the purchaser. We are assuming, at this point, that a conspiracy might exist to supply firearms illegally to extremist groups.

To assist us in our investigation, we are requesting that you make available to the Bureau of ATF a complete list of all passports found in Guyana, and a list of all firearms recovered there.

This information is considered to be very vital to the success of our ongoing investigation and your cooperation will be appreciated.

Sincerely yours,

Assistant Director
(Criminal Enforcement)
