Your return for this period shows the following, which requires further explanation:

18a. Amount of San Francisco Bay Area Rapid Transit District Tax (From Line A9 Column A of Schedule A) \$59.19

The remittance with your return was at 6 $\frac{1}{2}$ % of taxable sales. Since your business address is not located in a Transit District, it appears excess tax may have been paid. However, if excess tax was collected, the Law requires that the excess be returned to customers and evidence of the refund retained in your records. Your signed request for refund under the foregoing conditions may be made on the extra copy of this letter. If you are unable to refund to customers, the excess tax collected is payable to the Board.

If you have transactions in the transit district, please complete Schedule A of future returns.

Approval of your return has been withheld pending receipt of your explanation. Please return a copy of this letter with your reply.

Very truly yours,

L. E. Roberts
Principal Compliance Supervisor
