

Dear Muhammed Ali -

I'm writing to you from Jonestown, Guyana in the beautiful lush green jungle of So-America. I came here over a year ago so my 4 yr. old son could grow up in an ~~unraced~~ inter-racial environment without the tensest competitive ~~relationships~~ we find in the US. You would enjoy a visit to Jonestown. Your comments about world peace have inspired us & we feel you would appreciate a community such as Jonestown. Our community is made up of seniors who were left to ~~reside there~~ who are living happy & productive lives. Our children play under pollution free skies & enjoy all kinds of sports activities and attend a school rich in practical as well as academic skills. They ~~can~~ would be thrilled with a visit from you. You would be impressed with our many of our young people who were lost in the US, into drugs, & crime, but now are helping to build this fantastic community. I'm one of our Jonestown schoolteachers & I am overwhelmed at what our children are achieving. We would be honored to have you visit. It's an experience that would really touch your heart. We ^{urgently} hope to see you soon.

Yours truly,
Jelly Jensen

Dear Dick Gregory,

My first introduction to you came when I was back in high school & I read your book Nigger. Needless to say, I was impressed & have followed up on your work ever since then. Just over a year ago, my 4 year old son & I moved here to Jonestown in the beautiful jungle of Guyana, So-America. We wanted to live in a pollution free, inter-racial environment, without the tenseness & competitiveness we felt in the U.S. You know this would be an unforgettable experience for you Mr. Gregory to visit Jonestown. The beauty is overwhelming. The skies are blue with ~~clouds~~ clouds like you've never seen before. The deep lush green vegetation is ~~plentiful~~ fantastic. The sunrises & sunsets are filled with colors I never saw in the US and at night I never knew there were so many stars. The people of Jonestown are hard-working, peace-loving, friendly folks that ~~are~~ are anxiously awaiting your visit. It's a trip you will never forget.

Sincerely yours,

Jelly Jensen
