The Lady was telling the man
Walters to our city
the wearing shot the man
answers there you are if was any
three years later police said
under that can any say & broke
in that house the day can't
Teach this any thing, not only
print this is last your parole
I hope I am not in a paper
I told you some body try to
killed me. ever time you looking
some body knocking on door
they killed 14 people in
sawmation and killed this woman
she told him here what can I get
you glass milk, why dont you go
beer and tell the people who
you are and they went right
this is sale and we get to
Drink
