Commissioner of Police,
Police Headquarters,
Ave Leary, Kingston,
Georgetown.

Dear Sir;

We hereby make application in the name of our church organization to purchase and carry a pistol for the protection of our personnel.

As you know, we are a religious organization engaged in the pursuit of agriculture in Port Kaituma in the North West Region established since December 1973 by Pastor Jim Jones. It is necessary, however, for us to have a Georgetown based office for administrative and accounting purposes. In connection with the administration of the project which is being executed with the approval and under the general aegis of the Ministry of Agriculture, we have to make fortnightly payments to a staff of approximately sixty-nine at Port Kaituma which means we must draw large sums of cash from the Guyana National Co-operative Bank to transport to our location in the North West Region. In addition to this, we must keep cash in our Georgetown office to effect domestic expenditures which run into several thousand dollars. Indeed, since we have been established here, our premises, including our boat, have been burglarized several times, and one of our personnel was attacked and robbed.

We have thus been advised to apply for firearms licence and I feel sure that you will handle this application with your customary dispatch. The permit we would wish granted in the name of our organization as hereunder noted, but the actual firearms will be carried solely by our accountant Mr. Paula Adams whose duties include withdrawal, banking and general safeguarding of our funds.

Yours co-operatively,

for,
Eugene Chaikin
