Affidavit s/

I, Carol Kerns, being duly sworn, declare:

I used to visit next door to Birdie Marable's licensed care home on Shuffin St. where the front door faced Oak St. Birdie used to show me her freezer's full of meat and food bragging to me that they were never empty. She was always cooking plenty of food. She was obviously lying when she said Peoples Temple took her money and wouldn't take her home enough to eat. I have seen her drunk on one or two occasions that I remember specifically. Her husband was staying with her in the little house off of the big house. Birdie used to stay out there with him away from the patients who had no means of communicating with her if anything went wrong. She was drunk at one time and was screaming and shouting real loud outside of her back door at her husband. She used to drive to the store leaving the patients on their own. She yelled at them and insulted them frequently.

I, Cynthia Davis would like to have certain discrediting
facts known about Linda Mattle.

People meet each other sometimes in very strange ways
But I must say, that this relationship between Linda
and myself was very well planned. ———— For
Linda. She told me many times that she always
got the girl she wanted, all she had to do was
set it up. For example me. She would always
stick around me, even after telling her I
didn't want to be bothered. She'd call or
come by my job just to be near me she said,
Once she told me how she planned all of our meetings
and how she waited for me to break off my relationship
with my boyfriend, so that she could have me all to
herself. She would ask me all the time to stay at
my parents apt. on weekends. When I finally gave
her the O.K. she came over and spent the night
with me. I was sick that night with a fever &
vomiting. But Linda always got her way. She admitted
to me that she was an active lesbian and that she
wanted ~~to be~~ me to be her girl. She at that time
reached over for me to kiss her. I didn't know
what to think of it all, I had never been involved
with a girl and it was a bit frightening to me. She
wrote lots of love letters to me and made many
long-distant phone calls. I burned all but 2 pictures
1 letters and 1 card. She bought me things all
the time, and never told me where she got the
money. She had a habit of ~~getting~~ getting in bed
with me after I went to sleep. She told me
about these two guys she had sex with, she
said she just did it to have something to do.
I asked her many times how she really felt
about me. She told me she hated them and
that men couldn't do anything she couldn't do,
As time went on I got to know the really
FF-1-44 Linda Mattle and

What she was all about. ONCE at 4:00 am she
left her house and walked to my apt. came in my room
and got in bed with me, Reached over grabbed me
and kissed me, when I asked her why she did
it she told me just thinking about you, so I had
to be with you. Sometimes she wouldn't go home
she'd want to stay with me.

To whom it may concern:

My name is Maria Katsaris and I have been living in Jonestown, Guyana for about one year. I love my life here and I wouldn't leave for anything. I see this as the most ideal existence I could ever hope for, because people here care about each other, everyone's needs are met, and life is fulfilling for young and old alike.

My dad, Steven Katsaris, is a very possessive person and did not want me to come here to live. He has even lied to try to force me to come home. But I am happy here and choose to remain. I don't know anywhere else that would take in society's so-called outcasts and poor, and enable them to become persons with dignity who can take pride in what they've become-- respectable and productive human beings. It takes courage and sheer hard work to achieve that, and I don't know any better way to describe our program and the sacrifice and commitment of the man who inspired it-- Jim Jones, who is the founder and administrator of Peoples Temple.

Very respectfully,

Maria Katsaris

Affidavit of Carol Ann Kerns: (1 of 1)

of the Disciples of Christ (Methodist)

I am a student. I have been a member of Peoples Temple since 1969, and have known ^{Tim Stoen} Tim Stoen since he joined later that same year.

My brother Phillip Kerns was, at one time, a member of the Church. He left to join the U.S. Army, was sent to Germany, went A.W.O.L. there and returned to the United States. I was present when he met with Tim ^{Tim Stoen} who gave him advice on how he could best protect himself under the circumstances. Tim ^{Stoen} also gave my mother ~~Romy~~ Ellen Louise Kerns legal advice from time to time when I was present.

SANDYS AFFADAVIT - for the ENQUIRER

I could have done something them, but I felt like I might catch Jim Jones ire, and the Temples ire for involving ourselves in that. These people that we had, had intricate plans. We have people in our church who can tell you how they cut their cords, their telephones, so that they could escape with the rifles. Some of these very people that you dignify in the press, stole money, you name it, they've done it.
