

I am a Communist Revolutionary
and I hate the United States of America
to the extent that I will conspire to
outhrow and assassinate the President.

I enjoy fantasizing about it all the
time. I will use explosives and
kill everyone in the area of the President.
I molest children at the Berkeley, West
Campus Jr. High School (9th grade).

I kill animals, let them rot, and then
smell the stench because I love it.

I love death & will kill pigs in
any police department.
