Dr. Henderson -

Here is a list of financial alternatives please let us know which - if any - would be suitable there is a code sheet here so it should cover any situation - MARGARET AND I both have copies - - ONCE OUT OF THE COUNTRY I guess we will be giving messages to go from Brown - - so that we don't have to call her at work some how JULIA NEEDS TO TELL MARTHA WHERE WE WILL BE STAYING AND MARTHA CAN CALL THERE leaving the number of the pay phone she will be calling us from and what time (her time) she will be there AT THAT LOCATION.

(THE CODES ARE COMPLETE ENOUGH THAT IF YOU HAVE DIFFERENT FINANCIAL ALTERNATIVE THAT THEY CAN BE RELAYED WITH SOME EASE.

Dr. Henderson -

At this point we are going to leave cash at Rus. Embassy ~~for~~ and get a receipt for the funds. We will let them read the will so they know it is theirs in our death -

- We will then go to Pam and either pull the funds or change D.B.s name - which ever you decide - we will go to Sues and do the same.
- If we pull funds we will either put them in safe keeping in Russia to be theirs on our deaths or else we will put them in a numbered account

in Sue's - which ever  
you decide -

Hopefully the codes  
and Alternatives we  
have sent you will  
allow us to communicate  
comprehensively with  
ease -

- If ~~at~~ Mrs. White visits  
you all funds will  
be given to Eleanor  
and we - after checking  
to see that Baker,  
Lamas and Swartz are  
gone will go on to  
visit Stennis to give  
some politicalization  
to the end -
