

1972. I found out that a girl named  
Lisa Moore was trying to ruin me, so  
I could not work by lying on me.  
I found I was being followed and  
my life seemed threatened. (Visible) She  
was ~~selling~~ selling Cocaine, Tickets etc. so I  
called on her. She still has on me when  
ever I come across her.  
I called her and ask her to stop - ~~but~~ I have  
no hate for her. - but her reason was because  
someone she cared for cared for me.

**HELPED FIND BOMB**

(Times Photo)

Deputy Sheriff Damon Brazell of San Mateo County and his dog "Baron" aided the search today in Oakland to find an unexploded bomb. "Baron" was called into action when other methods failed. He pinpointed the bomb area when the air conditioning was turned off. He has sniffed out other bombs with nitrate contained in them in the past.

in the police.

Somehow I missed  
the request.

I have a sister

City policeman.

He has a dog that  
he's trained to sniff  
out bombs. The dog  
is an Akita - ~~Winnies~~  
& is called out often  
in bomb scares.
