On my closing page I hope to clear up your mind
on my feelings towards the P.N.C. and the party ^{B-1-F-15}
who is really concerned for the people, the P.P.P.
Under the directing ship of Comrade Cheddi Jagan.
I feel the P.N.C. is a front for some outside
organisation, who is trying to destroy the working
people of the world. I commit my life towards
the P.P.P. and Dr. Cheddi Jagan to over-throw,
by any means possible, the capitalist Govt. THE
P.N.C.

Your Comrade in Guyana

In closing, I felt I should reveal to you my true reason for coming to Guyana. I've been a member of the P.P.P. for almost four years. I'm dedicated to communism under Cheddi Jagan and I've come to Guyana w/ Peoples Temple Agricultural project as an infiltrator in order to give further information to Cde. Jagan in hopes that the future of Guyana will be in the hands of a true Communist leader. If necessary I will kill Burnham for the bright and only future for Guyana.

as I was explaining to you regarding my
thought on Guyana since I have arrived.
It appears to me that the government of
Burmham is proceeding to fast towards
the establishment of a Marxist state.
In my opinion the government
would be much better run in the
hands of the PPP. Therefore I think
I will become involved with the
opposition party in its endeavors to
reversal itself as the majority party.
I believe my experience in the
State working with various groups
to defeat leftist candidates will
stand me in good stead in this
endeavor.

I will write you again soon
and narrate my experiences.
Take care.

Best wishes,

Paul Cumfere

Recently, I have found myself to be in total opposition with this form of government. I have been looking at the possibility of joining or possibly organizing another organization.

As of this time I am planning on joining up with the PPP and help them to my fullest capacity. Maybe we will meet again.

And furthermore, Bill, I have been
down here long enough now to hear a
lot of dirt about the [redacted] and
[redacted] all the guys trying to [redacted]
[redacted] money. No good. I'm
now convinced that Cleddi must
be a better bet for the people
here and will make the appropriate
contacts.

Keep well, and my hello
to your newest girlfriend for
me.

All the best,

Gene

I just feel I cannot support the
PNC any longer as the B
of has. I have become
convinced that I owe my support
to you in light of recent
events here.

I hope to see you again
soon. Do give the family all
my love. Take care of your
health.

and the real reason for me coming at this time to Guyana is to help with your party in every way I can. Am sure it has not been easy working against the opposition. It appears that Burnham's death is near and we can again sweep the country with the true party PPP
