Ref. No.

August 8, 1977.

Bear Comrade,

Thank you very much for your letter and enclosed clipping.

It is very encouraging to have received from you a letter which sets out so clearly the depth of your concern and involvement in the struggle to create of Guyana a socialist society. We do have problems perticularly erising out of the comments of those who do not understand the process through which we are passing and seek therefore to decry it. However, the answer to this is to make a success of the revolution in which we are engaged and in this spirit we welcome your contribution to this end.

Yours cooperatively,

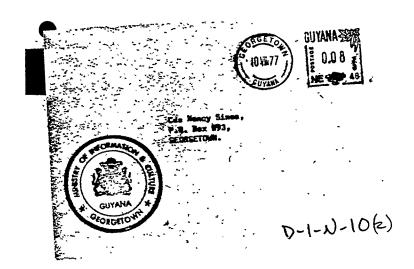

Shirley Field-Ridley,
Minister.
