* Hudson conversation - Claude
last night

Hudson & Claude was upset
at this Mr. Maxwell & Rogers
underneath Hudson had told
them

Hudson feels now & people under
him are now against him &
that could be inputs affecting
the plane situation

* Large tank coming into port
may hold up ship & create
danger

* John wasn't going to leave till
Friday - unless knows now

* Tried to get ahead of Hudson
think they had a power of attorney
which he is & can't

* Get ahead of Richard & see if
he can authorize charter, since
Hudson is unavailable & GDF &
Company want his approval lot

Larry yesterday

Claude was upset - Larry when
he met the nurse before as
Maxwell & Everett had talked
to him & told him some rather
stories on Larry.

Everett doesn't like him (Larry)
& since Maxwell had direct
access to Claude - Everett was
going thru Max to get info on
Larry to Claude. So Larry
called at company

Re. Richy's meeting in Larry

Told Claude: Richy from Britt &
so Larry must be also

So Larry did alot of card playing

BB-3-i-3

and drinking. So when Larry
saw Claude - he was blasted.
He felt that there are still some
grave areas.

If Claude from Bennett -
those type of people are deviant.
Larry said if Claude was from
Bennett he'd be shocked &
outraged, but he didn't think
so.

Sharon & Ann thought it was
significant that he would
even consider the thought -
Larry said - reason behind Max &
Gueret doing this - as its timing
just for people to be moved
from jobs & they were get-
ting Claude's attention so they
wouldn't be considered for
moving - but Larry didn't
believe the 2 were interested
in his job.

So Larry ~~was~~ he was
considered our friend - our
loyalty was in him & was
there as long as we could do

BB-3-1-4

to help.
Sharon & Ann feel its significant
if Max & Gueret can make
this seem credible - it could
affect things in future.

Interesting that Gueret was
doing most the work on
getting the place for Sutton.
Larry said last night that
Gueret could have given a lot
more authoritative ally &
the plan, rather than putting
it off on Larry saying he
could go no further.

According to Larry, Claude changed
Max out last night as when
was supposed to go to Trinidad
on business & he didn't.
Claude made statement
that Max was out of touch
around rather than going to
Trinidad.

Larry thinks Max is
leaving Thursday. That what
Max told Claude. BB-3-1-5

- Thomas + Ann wondered
since there is no extra
cost perhaps Ann or some-
one should go on the plane
& meet Sutton in Guadalupe
& come all the way out.

Jirisa could mention that Guyana

of human rights - that's its strength.

He wants to think of more ideas that
