

JIM:

I JUST WISH TO AGAIN RAISE THE POINT THAT THE GUYANESE GOVERNMENT WISHES US TO HAVE A MAJORITY GUYANESE BOARD IN THE GUYANA CORPORATION. THE ONLY WAY WE CAN DO THIS AND STILL CONTROL THE CORPORATION IS FOR US TO HAVE A GUYANESE CITIZEN IN OUR GROUP. PHILLIP IS NOW ELIGEABLE FOR GUYANESE CITIZENSHIP UNDER THEIR LAWS. PERHAPS IT WOULD BE WORHTHWHILE FOR HIM TO TAKE UP THAT CITIZENSHIP RATHER THAN ACQUIRE A U.S. RESIDENC R VISA. HE WOULD STILL BE ABLE TO APPLY FOR THAT LATER, THAOUGH THE GUYANESE STATUS WOULD UNDOUBTEDLY WEAKEN HIS CASE.

GENE

*Gene - JJ says what about both:*

- ① As a British citizen is he entitled (on basis of Commonwealth status) to Guyanese citizenship with fewer complications than any of the rest there?*
- ② We will proceed with letters to Worrell & Clausen. Did you clear that letter?*

*Please respond.*

*I don't know about any of this. MJC*
